Galveston, Texas (September 24, 2015). Designs from the Lightning Ridge Collection by John Ford were once again on the red carpet; this time at the to the 67th Emmy Awards.

It was an exciting week in Hollywood leading up to the 67th Emmy Awards. John Ford's Lightning Ridge Collection was featured in Style Lab's style suite and was sought after by many of the stars.

Stars such as, Selenis Leyva (Actress "Orange is the New Black") and Maitland Ward (Actress "Boy Meets World") previewed Ford's original black opal and diamond designs.

"Since we got there on Friday, two days before the Emmys, most of the jewelry pieces were taken, but my favorite designer was Texan John Ford. He is known for his beautiful Australian opals and his ability to infuse his pieces with a modern twist." said Gabriela Tena of LAguestlist.com

When the lights hit the Red Carpet it was Dascha Polanco, of Orange is the New Black, which emerged wearing this dazzling black opal and diamond ring by designer John Ford.

This bold ring features a 5.29 carat oval black opal, 2.71 carats of diamonds and is set in platinum. Dascha looked stunning in this magnificent ring and even made Refinery29's best dressed list!
